His Hands and Feet...

God is good, all the time.. Praise God there will be two fall walks. The Men's walk begins this Thursday, October 9th. The Women's walk begins Thursday October 23rd!

As we prepare our hearts, remember your walk and how amazing it was to be cared for by the community. Each one serving as the hands and feet of Christ. How encouraging the assurance of God's love being wrapped around you for those three days.

Now, as community members, what a truly humbling and unforgettable experience it is to be able to serve meals, set up or clean up the dining room, deliver agape to the sleeping rooms or even clean the restrooms.

Keeping our eyes focused on God we must be ever-mindful that we are His conduit, His light of grace and love shining on these Pilgrims as they walk the Emmaus road on the weekend. We need to show up and stand for Christ on these weekends so that these Pilgrims will not soon forget just how much the Father cares for them. We cannot let Christ down, He is counting on us!

I pray I see you at the church with bright shining faces, humbled hearts and attitudes of service surrendering your time and talent for His glory!

De Colores!

Father God we give you praise for just being YOU! We praise you because you are our creator, redeemer, protector and friend. You know what's best and have a plan for our future.

Lord we thank you for drawing the pilgrims to the walks. Selfishly, we continue to ask for more people to share your love with. Yet we lay these walks, the pilgrims and the community at the foot of your throne. May your will be done on these weekends. May each person experiencing these walks see you shining through the faces of each community servant. May they feel the overwhelming love you have for them and let go of any concerns they may be holding on to. May this community be used to bring reassurance to their hearts and bolster their faith to new heights.

We give you glory, honor and praise Lord Jesus, Amen.
