Servanthood

As you read this, the Spring Men's and Women's Walks have taken place. The new members of the Ashland Area Emmaus Community are now more equipped to go into the world as Disciples for our Risen Lord. But for our new Brothers and Sisters to get there we the members of AAEC were the servants to the then Pilgrims. As I stated during the closing ceremony "you have learned and seen much about being a servant this weekend and it is now time to go to your local church and community to put it into practice. This is true for all of us well.

Our Risen Lord came to save us from our sins but before he died and was resurrected he was our teacher of how to be a servant to each other and the world. John 15:12-13 ¹²This is my commandment: love each other just as I have loved you.¹³No one has greater love than to give up one's life for one's friends. And John 15:16 ¹⁶You didn't choose me, but I chose you and appointed you so that you could go and produce fruit and so that your fruit could last. As a result, whatever you ask the Father in my name, he will give you. ¹⁷I give you these commandments so that you can love each other.

To you the Ashland Area Emmaus Community. Thank you for your service to your church and community as Disciples for Christ and our Heavenly God. Thank you for your service wherever you could serve during the Spring Walks.

God bless all and remember that Christ our Lord is Risen Indeed.

On behalf of the Board of Directors and the members of the AAEC. We cannot thank enough, Phil Brown LD Men's Walk 38 and Jennifer Conley LD Women's Walk 45 plus their teams for their leadership and service of the Spring 2017 Walks.

What an awesome God we serve!

Through the tool of Emmaus, He made Himself present during Walk 38. The team was very dedicated to the roles that God used them to fulfill.

The ALD's allowed me to enjoy the weekend with confidence. The pilgrims plugged into the format of the weekend from the start of the walk. Each talk was anointed with the Holy Spirit as the Prayer Servants anointed and prayed for each speaker.

The community responded with hearts of love and hands and feet of service. What more can I say but a heart felt THANKS!
