Message from Our Community Lay Director

We hope you enjoyed last month's gathering. We will be doing something similar this month. Here is what will be different on October 16th, parts of the gathering will actually be live. This will allow everyone to be watching together and able to be involved more.

Make sure you tune into the **Ashland Area Emmaus Community Membership Group** Facebook page that evening at 7pm and it will tell you when we are live. Thank you all for your patience as your board members try to offer you alternative gatherings during this pandemic. We trust you are keeping in touch with your local churches, reunion groups and your Emmaus friends. We all feel God is moving, renewing and preparing us for an exciting new year. Remember good things come to those who wait upon the Lord.

De Colores,
Cindy Poling
