I think we can all agree the past couple or three years have been tough. I am so grateful those days seem to be at an end!

We all know that each day brings its own gifts and its own challenges. How we approach these gifts and challenges-that is the test! If we're burdened with the past, we need to ask God to help us let go of those hurts. If we are holding onto something that's good, at the expense of a new more excellent thing God is asking us to undertake, that's too high a price to pay!

These thoughts brought to my mind Isaiah chapter 43 where verses 18-19 tell us, "forget the former things; Do not dwell in the past. See, I am doing a new thing? Now it springs up. Do you not perceive it? I am making a way in the wilderness and streams in the wastelands."

I feel like that is where we are right now in the Ashland Area Emmaus Community. We have all needed that re-start, haven't we? I would love to see all my Emmaus friends, new and old, at the next gathering. We were dormant for too long during the pandemic. We all need to reform our schedules, set aside that third Friday of the month to come out and be together! Let's be ready for that new thing God is doing, friends. Seek him, then seek what he wants us to do.

De Colores,

Anita Martin
