

ASHLAND AREA EMMAUS NEWSLETTER

The Spring Walks

We are so Glad to announce our Men's Spring Walk #43 was a complete success and we have welcomed 4 more members to our Community. In a Week we will be having the Women's Spring Walk and we can not tell you how much we are looking forward to meeting our new Pilgrims.

As you know, it takes many hands to produce a successful walk. Now that the ladies will be busy with the Women's Walk, we need all men to step up and serve. Please remember there is much to do. Sign up on-line at ttsu.me/aaecww51 or Let Lisa Angel (606 315-4081) or Karen Wood (740 547-8047) know you are available to help. Don't wait. We need to plan accordingly.

April 2023

You are Welcome

As We are welcoming new members. Let's try to remember They are new to everything. In their first opportunity to serve, they are bound to have questions and do things differently. When you request a task, please take the time to give clear directions. Perhaps demonstrate and explain why it is done a certain way. If I ask someone to wash a load of towel but fail to tell them where the washing machine is or give directions to the area, I am setting them up for failure. We want our new members to feel appreciated and welcomed. Each activity is now being viewed from a new perspective. Our new members have only seen a Candlelight Service from the perspective of a pilgrim so may feel lost or confused when they arrive for the first Service as a community member. Be on the watch for new faces and be ready to help and include them. If we don't, they are less likely to return.

Save the Date!!!

July 22, 2023

Emmaus Reunion.

**Something for the whole
Family.**

**Games, Prizes, Food, and
Fun!**
