

# ASHLAND AREA EMMAUS NEWSLETTER

**September 2023**

## What can you do to find pilgrims?

Begin by prayer.

Ask God to lead you to those to invite.

Be attentive to people around you and listen for the Holy Spirit. Keep a log of those you invite who genuinely seem interested. Ask them to commit. Fill out and submit the application. If they are unavailable for this walk, remind them of future walks and reach out to them again.

**You are needed.** Please remember that the walk cannot be successful if we do not have people to serve. There are several ways you can help. We need soups, salads, sandwiches for both send-off meals. We need people to serve at each meal. We need cooks for the Women's walk, and helpers in the kitchen for both Walks. There is always something needing done in the Agape Room. Most importantly, we everyone to sign up for the prayer vigil. In the link below you will be able to volunteer in the areas mentioned above.

## Greetings Emmaus Brothers and Sisters,

I am excited to report God's team for Men's walk #44 has been created. We have felt God's presence in the 2 meetings and have been growing together. Our scheduled meeting is Saturday, September 16th. God surely has his hands already guiding us for this walk. We have a few pilgrims and anticipate more. Continue to please be in prayer for God to guide us to invite pilgrims and his guidance over this walk, in hopes of spreading his love to others.

Be sure to attend this Friday's Emmaus Gathering for the Team Consecration Service. If you are on the upcoming Men's or Women's team, you should attend this special event. We will be dedicating the teams for Christ's service.

**Congratulations** John and Stacia Cartwell for a recent trip to the Global Methodist Church Conference where John was Ordained into the Global Methodist Church.

The Women's Walk #52 has begun their preparation for the upcoming walk for October 19-22. We are all excited to see what God has instore for the pilgrims. We currently have 4 pilgrims signed up with several more applications coming in soon. Our team meetings have been filled with the Holy Spirits presence. We've experienced great preview talks, devotions, food and fellowship. Our team is binding together with cords that cannot be broken. We ask that you keep the team in prayer as we have had some team members that have health issues. Also, prayers for 1 more ASD to answer God's call to be a part of the team.
