What a joy it was to serve on Women's Walk #52. The Holy Spirit was there the minute the walk started. It was awesome to see how all the pilgrims and team alike came together in love and bonded immediately. From new best friends (which a lot already knew each other) to worshipping, praying, crying, laughing and eating together, and most importantly, to learning more about God and his plans for our lives. It was great to see so many of the Men from walk #44 back to serve. Meals were wonderful and I am so thankful to all the cooks, servers, facilities, agape team, those that entertained us and showed us God's love, and many behind the scenes that showed up to make sure everything was taken care of in the best way. Welcome to all the new Women's Walk #52 Community Members: Sammantha Quillen, Cyndi Conn, Linda Hoffman, Beth Walbright, Crystal Taylor, Sherry Yates Mullins, Kim Dement, Angela Rice, Stacey Terry, Sybrenia Burton, Alecia Hall, and Jennifer Akers. God is good all the time and All the time God is good. De Colores,

Anita Fitzpatrick, LD

The truth is... When Covid 19 hit in 2020 it shut everything down. Here it is, four years later and we are still trying to rebuild. Our numbers are finally starting to show growth but we have a long way to go to be where we were pre-Covid. Perhaps, you have been considering the changes that have occurred in the world in the past several years. There isn't a better time to re-establish yourself amongst the community. We need each other.

Shout Out!

A big thank you to Cindy Stambaugh who took it upon herself to document the fall walks in photos. It is nice to see all those smiles as they serve.

AfterGlow November 7th @6:30

Sponsors remember to bring your pilgrims, both men and women, to the Afterglow. Valuable information is obtained there on how the Community works, how to become a sponsor, and Reunion Groups. It is important to help our newest members become familiar with Emmaus and how they can serve in the future.

Please be in prayer for the Kirkpatrick family as they move forward after the loss of Teresa Kirkpatrick. She was a pillar of the Emmaus Community and loved to serve others. Her life was a Living Testimony.
